

SQUADRON 50

We're going places. Join us.

ARRIVING IN STYLE. IT'S READY WHEN YOU ARE.

An established motor yacht range like the sublime 48ft series demands to have its legacy continued. And the Squadron 50, the flybridge version of our exciting new 50ft range, is here to continue the journey.

Every consideration has gone into the design of the Squadron 50. The flybridge has been configured to offer all the space you need to enjoy a leisurely breakfast around the teak dining table, before claiming the sunbed and your place in the sun. There is a stunning anthracite roof, while on the inside, a beautiful range of contemporary colours offer a touch of understated elegance to the expertly designed space.

Cruising to any destination will happen on your command, thanks to the twin Volvo IPS 600, 650 or 700 engines. But there is something equally as thrilling at your fingertips. Our first ever Premium Pack option, with a host of specifications including high capacity air conditioning, teak-laid flooring on the flybridge and a submersible bathing platform to name just a few. This is a yacht ready to take you places. And take you there in style.

INTERIOR DESIGNS ON ANOTHER LEVEL

In the spirit of building the perfect yacht at every possible level, we have also carefully created four different interior design schemes for you to choose from:

Amalfi

Inspired by Liguria's local architecture, this scheme exudes the sunny warmth synonymous with fragrant Italian lemon trees and the umbrella-lined shores of the Amalfi Coast.

Capri

Understated, earthy colours, effortlessly combined with rich natural textures. All the hallmarks of an interior design collection that is as gentle as the Mediterranean breeze.

Hamptons

Evoking elegant vintage design cues, whilst offering a bold and contemporary interpretation of the luxury that was once the preserve of America's East Coast.

St. Tropez

An ode to the sea where all manner of deep, oceanic blues tastefully swirl with muted greys, delicate creams and classic nautical motifs.

CAREFULLY CONSIDERED PROPORTIONS

Principal Dimensions

Length overall (inc. pulpit)	50'8" (15.46m)
Beam (inc. gunwale)	14'2" (4.31m)
Draught	3'10" (1.17m) unloaded
Height above waterline	18'2" (5.55m)
Transport height	16'0" (4.87m)
Dry weight (approx.)	13.28 imp. tons/14.88 US tons (13,500kg)
